The Priory Catholic Voluntary Academy

Primary PE Sports Grant Spending Plan 2020-21

What is the PE and sport funding?

The government is continuing to provide additional funding to improve provision of physical education and sport in primary schools. This funding has been doubled from last year and is still ring-fenced; and therefore can only be spent on provision of PE and sport in school.

https://www.gov.uk/government/policies/getting-more-people-playing-sport/supporting-pages/school-pe-and-sport-funding

How will we invest this at The Priory Catholic Voluntary Academy?

At our school we have developed a provision plan to ensure this funding is invested (rather than 'spent') to maximise the long-term impact of our PE provision for pupils and staff.

The funding is invested in various ways and the impact of these initiatives is closely monitored through assessment of children's skills, staff and pupil feedback and the uptake of clubs (both inside and outside of school). Government guidance says that schools can use the premium to secure improvements in the following 5 indicators:

- the engagement of all pupils in regular physical activity the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- 2. the profile of PE and sport is raised across the school as a tool for whole-school improvement
- 3. increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4. broader experience of a range of sports and activities offered to all pupils
- 5. increased participation in competitive sport

Primary PE Sport Grant awarded			
Total number pupils on roll	205		
Lump Sum	£16,000		
Amount received per pupil (£10 x 205)	£2,050		
Total sports grant	£16,630 - £1420 carried over		
School Budget Allocation	£19,502		
Total planned spend	£36,132		
6 0000 04			

Summary objectives for 2020-21

Objectives of our spend:

- A. To broaden the sporting opportunities and experiences available to all pupils; developing knowledge, understanding and skills -especially for vulnerable groups with additional support being deployed to deliver Funfit, swimming and positive play programmes.
- B. To enable opportunity for all pupils to reach the minimum swimming standards of the National Curriculum by the end of Key Stage 2
- C. To develop a love of sport and physical activity throughout the school to harness a greater awareness amongst pupils about the dangers of obesity, and life choices that can undermine their health.
- D. To further increase opportunities for pupils to be involved in competitive sport.
- E. For PE Provision to be judged as at least good in lesson observations.
- F. To increase the number and diversity of events we enter as a school providing opportunities for children of varying abilities to take part as all areas of sport are well resourced in order to enable quality and ease of access.
- G. Create opportunities for upper Key Stage 2 pupils to be recognised for the impact they have on supporting younger pupils by developing a school-based Young Leader Programme.

Deployment of PE Teacher to undertake PE and play activities (x3 weekly) at lunch times (as much as possible, use the sports field).	Directed time £2,000 Field rent	Increase participation in sporting activities at lunchtime and whenever possible, get more use out of resources when using sports field.	A; C; D Increased opportunity for pupils to take part in Extra curricular activities, meaning we have more active playtimes. Improved behaviour on playgrounds when children are active.
Key Learning/What will change next year	Continue to ensure active playtimes and opportunities for pupils to take part in a range of structured and free flow games suited to use of the sports field.		
Deployment of TAs each lunch time (and to work alongside new nurture group) and all pupils to undertake activites and play activities (x5 weekly).	£4,000	Increase participation in physical activities for vulnerable groups with additional support being deployed through specific programmes to develop skills and fitness levels; and for pupils to enjoy free, child-initiated play and activities.	A Through formative lesson assessment; the PE teacher has been able to use knowledge of pupils to target groups for TA to target and extend skills at lunchtimes.
Key Learning/What will change next year	Pupils identified as requiring additional participation at lunchtimes are invariably the same pupils who require bespoke activities around hand eye coordination and fine and gross motor skills. Next year, ensure that sessions of Funfit take place during curriculum and extra-curriculum time so as not to expect so much at lunchtimes when pupils enjoy free child-initiated play.		
Provide additional opportunities for pupils to have swimming lessons right through	Instructor charges for 3 £1,344.00 Pool Charge: £800 Transport:	Increase the number of pupils being able to swim 25m by the end of KS2 while developing pupils' swimming survival skills; their fitness, as well as	B Last year (2020) 75% of pupils at the end of KS2 reached the standards set out
