Class Novels	<i>See reading spine for Y1</i>	<i>See reading spine for Y2</i>	The Puffin Book of Utterly Brilliant Poems	George's Marvellous Medicine	Hidden Figures By Margo Lee Shetterly	Great Britons: 50 Amazing People Who Have Called Britain Home and Survivors
Science	'Animals including Humans' Humans only this half term. Identify, name, draw and label basic parts of the human body and say which part of the body is associated with each sense; explore each of the 5 senses. (See statutory guidance) 'Working Scientifically' Specific skills are developed throughout all lessons and one full investigation is written up per topic <i>See Scientific Knowledge and working scientifically Progression Ladders</i>	'Animals, including Humans' Humans only this half term. Notice that animals, including humans, have offspring which grow into adults, find out about and describe the basic needs of animals, including humans, for survival (water, food and air) and describe the importance for humans of exercise, eating the right types of food, and hygiene. (See statutory guidance) 'Working Scientifically' Specific skills are developed throughout all lessons and one full investigation is written up per topic <i>See Scientific Knowledge and working scientifically Progression Ladders</i>	'Animals, including Humans' Identify that animal, including humans, need the right types and amount of nutrition, and they cannot make their own food; they get nutrition from what they eat. Identify that humans and some animals have skeletons and muscle for support, protection and movement. (See statutory guidance) 'Working Scientifically' Specific skills are developed throughout all lessons and one full investigation is written up per topic <i>See Scientific Knowledge and working scientifically Progression Ladders</i>	'Living Things and Their Habitats' Recognise that living things can be grouped in a variety of ways. Explore and use classification keys to help group, identify, and name a variety of living things in their local and wider environment. Recognise that environments can change and that this can sometimes pose dangers to living things. (See statutory guidance) 'Working Scientifically' Specific skills are developed throughout all lessons and one full investigation is written up per topic <i>See Scientific Knowledge and working scientifically Progression Ladders</i>	'Forces' Explain that unsupported objects fall to the Earth because of the force of gravity acting between the Earth and the falling object. Identify the effects of air resistance, water resistance and friction that act between moving surfaces. Recognise that some mechanisms, including levers, pulleys and gears, allow a smaller force to have a greater effect. (See statutory guidance) 'Working Scientifically' Specific skills are developed throughout all lessons and one full investigation is written up per topic <i>See Scientific Knowledge and working scientifically Progression Ladders</i>	'Animals, including Humans' Identify and name the main parts of the Circulatory system, and describe the functions of the heart, blood vessels and blood. Recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies function. Describe the ways in which nutrients and water are transported within animals, including humans. (See statutory guidance) 'Working Scientifically' Specific skills are developed throughout all lessons and one full investigation is written up per topic <i>See Scientific Knowledge and working scientifically Progression Ladders</i>
